EVERY YEAR, NEW LOCATION

December 16-17, 2011
Phnom Penh, Cambodia

ION Film Festival strives to bring awareness to individuals and organizations who are creating socially relevant films to positively impact our world. In an effort to fully engage an array of trans-global creativity we wish to provide a forum for everyone's ingenuity to be premiered.

The ION International Film Festival is a touring festival that is dedicated to promoting independent film, documentary, animation, music video and movie trailers. Each year ION will be held in a different international location in an effort to promote global awareness and unity.
